All Imotions Nature Access Intranet Objects and Discs are made out of the Old Oak of Zoelen (GPS: 51.91078, 5.39977, URL: woodword.nl). INAI is part of a Global Nature Access Network. This Network is Wdwrđ's opus magnum and is a natural counterweight to the internet. Please register your INAI Object or Disc on [wdwrđ.com/inai](http://wdwrđ.com/inai) to hold the Old Oak together. Once a year you will be invited for tea with cake under an old tree on a hot summerday.
